Memorandum submitted to Sjkt. N. Bhaskar Rao, Honourable Member of Parliament (Rajya Sabha) and Sjkt. Jhina Hikaka Hon'ble Member of Parliament (Lok Sabha) on their visit to Rayagada Autonomous College, on the Annual Day celebration held on 22nd February, 2017.

Honored Guests, I on behalf of the students' union extend you both, a warm welcome, on your kind visit to the college today to grace the Annual Day Celebration 2017.

All of us feel greatly happy to see that Rayagada Autonomous College meeting the necessities of Higher Education of nearly five thousands students, mostly from backward communities. This has been possible for the kindness of your honours. Because of the sincere commitment of the staff and students the college has attained the second cycle of its autonomy and NAAC accreditation successfully. The college claims a decent infrastructure with your help and goodwill. I must thank Sjkt. Lal Bihari Himirika, Hon'ble Minister for providing the college five big buildings two, dedicated transformers and three hundred beds for the inmates of the hostels.

- I. In spite of all this, the college lacks the required number of buildings and facilities for such a huge size of students. We are thankful to Sjkt. Jhina Hikaka the Honourable Member of Parliament for sanctioning Thirty Lakh Rupees initially for the construction of an auditorium. This proves to be insufficient for erecting a suitable auditorium for such a large number of students. In view of this, I would like to draw the kind attention of Sjkt. N Bhaskar Rao and Sjkt. Jhinna Hikaka to sanction an additional amount of Fifty Lakh Rupees out of the funds at their disposal.
- II. Another major problem for the college is Lack of suitable Land for the second campus of the College. The total land area on which the college is located now runs to a little more than four acres only. It has been a centre of learning for the

Rayagada Autonomous College, Rayagada Junior College, Rayagada Vocational Junior College and the IGNOU study centre. It gets over crowded during the peak hours of the day which requires the division of the +3 and +2 wings. As such a minimum land area of 10 Acres may be made available for the purpose, near the town for starting a separate campus for Rayagada Junior College. I take this opportunity to request your noble offices to issue necessary direction to the authorities concerned to resolve the issue in the larger interest of the students.

- III. The college abounds in sporting talents from the rural area. Given a right environment their talent will go up in the national sporting fields. But the want of a suitable play ground stands against the hopes and aspirations of such students. I, therefore, humbly request your honour for the establishment of a sports training centre, which will help fulfill their cherished dreams.

Your kind cooperation and generous contribution will be of great help for the improvement of the college.
